POSTER SESSIONS

Another feature of the 10th ESSE conference are poster sessions. A poster is a short, concise, highly accessible description of new, unpublished research mounted on a wall or poster stand for public viewing. Posters typically include not only text (approx. 2,000 words) but also graphs, photographs, and charts. Posters should be no bigger than 150 cm in length x 120 cm in height. Posters may address topics connected to the conference seminars, round tables, and lectures as well as other specialized topics in our field(s). The aim of a poster session is to provide conference participants, and poster presenters in particular, with additional opportunities for discussion and feedback about research in an informal setting. Therefore, presenters are strongly encouraged to be present during the poster session and to have handouts available for distribution. Poster proposals should include the name and affiliation of the presenter and a clearly titled abstract of no more than 200 words (not including title or references). The proposals should be sent directly to the Academic Programme Committee, at esse.proposals@unito.it, by 1 March 2010.
