

COVID-19 hygiene rules and rules of conduct

PCR-tested, vaccinated, recovered (2.5 G)

Access to and stay at university buildings is only permitted with a valid proof of being PCR-tested, or vaccinated or of having recovered from a COVID-19 infection (2.5 G).

Mandatory use of FFP2 face masks

In all interior areas of the University of Vienna as well as in courses and exams (exception: people lecturing or oral contributions by participants), the use of FFP2 face masks is mandatory.

Wash your hands

Wash your hands regularly and thoroughly with soap and water or with alcohol hand sanitiser.

Respiratory hygiene

Cover your mouth and nose with a disposable tissue or the crook of your arm when coughing or sneezing.

Open the windows regularly and sanitise work areas

Open the windows regularly and use disinfectant to clean workstations or equipment that are being used by more than one person.

Avoid using the lifts

Do not use lifts, if possible, or use them alone.

In case of a suspected COVID-19 infection

Call the hotline 1450, go home and/or stay at home. Notify the University in case of a suspected or confirmed COVID-19 infection:

- Students can use the service desk to report a suspected or confirmed COVID-19 infection at studieren.univie.ac.at/en/studying-exams/studying-on-site.
- Employees report their COVID-19 infections via the [service desk](#).

In general, adhere to the principle of staying at home when sick.
