- Understand key changes in DDC 23
- Understand the reasons behind the changes
- Understand the role of the user in shaping DDC 23
- Understand different representations of the DDC
- Learn about DDC research activities
- Understand DDC 23 in the context of the Dewey ecosystem

- Major updates: Tables
- Major updates: Schedules
- Structural changes
- Behind the scenes: Publication of DDC 23
- DDC 23 in the big picture

Major Updates: Tables

- “kinds of persons” → “groups of people”

T1–08 Groups of people

305 Groups of people

- “persons treatment” → “biography”

T1–09 History, geographic treatment, biography

Table 2 Geographic areas, historical periods, biography

- T1–081 People by gender or sex
- T1–0811 Men
- T1–0865 People by marital status
- T1–0867 Transgender and intersex people
- T1–0925-0928 New numbers for collected biography of groups of people

- Ripple effect of changes throughout DDC 23, especially for groups of people in 155, 305-306, 331, and 362

- Revisions to internal tables under T1—08, T1—0901-0905, and T1—093-099 (*not standard subdivisions*)
- Contents of table under T3B—1-8 moved to subdivisions of T3B—1 Poetry (*standard subdivisions without initial 0*)
- New note highlighting special expansions under standard subdivisions

New note highlighting special expansions under standard subdivision notation

401.4 Communication; semantics, pragmatics,
 languages for special purposes

 Notation 014 from Table 1 as modified below

 . . .

(similar entry also appears under T4–014)

- Table 1: Notation for topics in communication, green technology, research
- Table 2: Ancient and modern world
- Table 3: T3C—3 Arts and literature
- Table 5: Updates for selected peoples, e.g., T5—9457 Sámi
- Table 6: Updates for selected languages, e.g., T6—9457 Sámi

Major Updates: Schedules

Sorting out digital trends: 004.11-004.16 Digital computers

> 004.11-004.16 Digital computers

Multifunctional digital devices are classed with their predominant function . . . a work that focuses on a specific function other than the predominant function is classed with the predominant function

155 Differential and developmental psychology: New add table applied to various groups of people

155 Differential and developmental psychology

2 Sensory perception, movement, emotions,
psychological drives

...

3 Conscious mental processes and intelligence

...

8 Individual, evolutionary, environmental
psychology

...

9 Applied psychology

...

Updates to clothing in 391/646/687 (1)

- Terminology updated to match industry practice (e.g., activewear, loungewear, headwear) and geographic variations (e.g., vests [undergarments])
- Relocations and expansions to support improved developments

Updates to clothing in 391/646/687 (2)

646.433 Suits

...

Pants (trousers) relocated to 646.436

...

646.436 Pants (Trousers) [*formerly* 646.433]

Geographic variations in languages: Regularized and expanded (1)

447[.1-.8] Geographic variations in parts of France

Relocated to 447.9441-447.9448

Geographic variations in languages: Regularized and expanded (2)

447.94-.98 Geographic variations in specific continents, countries, localities in modern world

Add to base number 447.9 notation 4-9 from Table 2, e.g., geographic variations in parts of France 447.9441-447.9448 [*formerly* 447.1-447.8], geographic variations in France 447.944, dialects of Quebec 447.9714, Haitian Creole 447.97294

511.3 Mathematical logic (Symbolic logic): Expansion

511.314 Modal logic

Including alethic, deontic, dynamic, epistemic, provability, temporal logic; possible worlds

511.317 Conditional logic

Including counterfactuals

511.318 Probabilistic logic

See also 161 for induction; also 519.2 for applied mathematical probabilities

Relocation and expansion for Trans-Neptunian objects and Pluto

523.49 Trans-Neptunian objects [*formerly* 523.48]

523.492 Kuiper belt objects

523.492 2 *Pluto [*formerly* 523.482]

523.494 Scattered disk objects

523.497 Oort cloud objects

616.0835 Adolescent medicine vs. 618.92 Pediatrics

616.008 3 Young people

Do not use for diseases of infants and children up to puberty, comprehensive works on child and adolescent medicine; class in 618.92

616.008 35 Young people twelve to twenty

Do not use for diseases of young people twelve to twenty who have not reached puberty; class in 618.92

Class here adolescent medicine

641.52 First meal of the day

(brunches, breakfasts)

641.53 Light meals

(snacks; dinners, lunches, suppers, teas as light meals)

641.54 Main meal of the day

(dinners, lunches, suppers, teas as main meals)

PERIOD TABLE FOR AMERICAN LITERATURE IN ENGLISH

1 Colonial period, 1607-1776

2 1776-1829

3 1830-1861

...

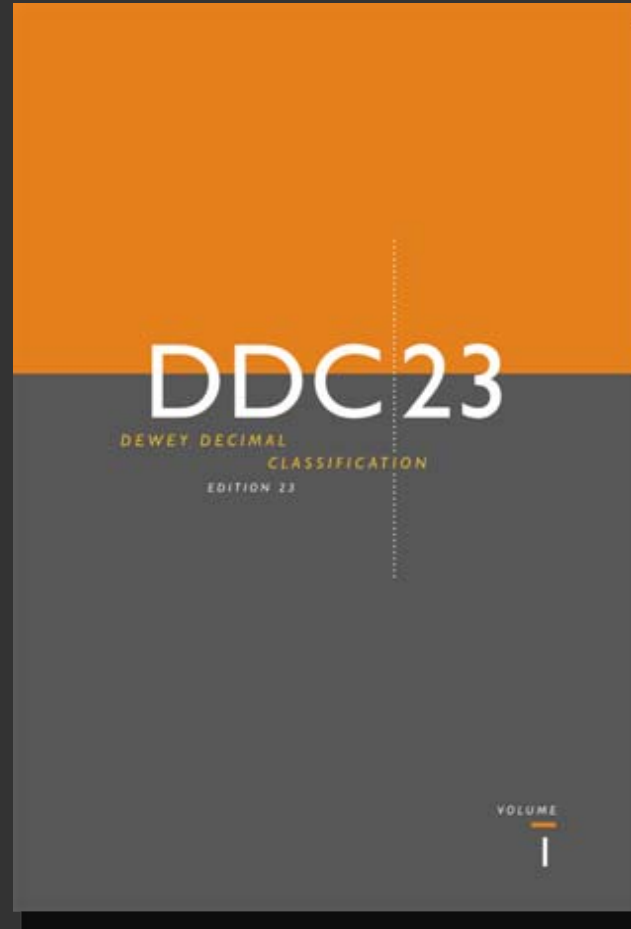

(OPTIONAL PERIOD TABLE FOR AMERICAN LITERATURE IN ENGLISH

(For Canada

(3 Colonial period to 1867 in Canada

...

More major updates coming later today!!!
